RESPONSE to Office Action, dated October 7, 2003 and
Petition Requesting a Two Month Extension

OFFICIAL

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

Responsive to an Office Action mailed October 7, 2003, with a three month period for response, the applicants would request the reconsideration and reexamination of the claims, in view of the included remarks. In conjunction with the present response, a request for a two month extension is being simultaneously submitted, which would extend the response date from January 7, 2004 to March 8, 2004, which is the first business day on or after March 7, 2004. In association therewith, a fee in the amount of \$420 is believed to be due. The applicant's representative authorizes the Commissioner to charge the fee associated with the two month extension, as well as any other fees deemed to be necessary in connection with consideration of the present amendment including any fee required to cover any deficiency associated with any underpayment, or to credit any overpayment to Deposit Account No. 50-2117, of Motorola, Inc.
